

## Caucus Nacional Presbiteriano Hispano/Latino Concilio Coordinador 2010-2013

The Presbyterian News Service in its General Assembly report included the following item: “After nearly two hours of debate on Thursday evening, the 219th General Assembly (2010) agreed to refrain from holding national meetings in states where travel by immigrant Presbyterians or Presbyterians of color might subject them to harassment due to legislation.”

Once again Presbyterians had the audacity and the foresight to stand against an unjust law, in this case the recently enacted immigration policy in Arizona (SB 1070). Because of this policy, entire communities in this state now live in fear of being separated from jobs, family and friends. The law actually legalizes racial profiling and the demise of basic civil rights for an entire ethnic group. The law even criminalizes people who attempt to bring aid to the newcomers. People of faith especially feel that their basic right to exercise their religious calling to embrace the stranger, feed the hungry and house the homeless is being threatened.

The PNS story continues: “Former moderator of the General Assembly, Rick Ufford-Chase (2004) spoke in support of the measure, as did former moderator of the General Assembly John Fife (1992), who currently lives in Arizona. ‘Racism must be confronted with action,’ said Fife. Ufford-Chase cited PC(USA)’s ‘historic concern for those who stand on the fringe of our society.’”

Even Stated Clerk the Rev. Gradye Parsons said that if Pennsylvania, the state site of the 220th General Assembly (2012), had a similar law, “...we would follow the directions of the Assembly.”

In spite of these bold declarations and the will of the highest body of the Presbyterian Church (USA), a Stewardship Event is scheduled for February 28 through March 3, 2011, in Phoenix Arizona.

The National Presbyterian Hispanic/Latino Caucus of the Presbyterian Church (USA) wishes to add its voice to those at the Assembly and decry the decision to hold this Presbyterian-sponsored event in Arizona. This action appears to be challenging not only the will of the Assembly, but also the historic, biblical and theological stance of Christians against human-enacted laws that discriminate against a particular group of people because of their ethnicity, culture, language, national origin or immigration status.

We believe the arguments presented by the planning committee do not justify holding the event. Good stewardship is not to avoid cancellation fees but to follow the biblical mandates to “...not mistreat an alien (immigrant) or oppress him...” (Exodus 22:21) as well as other Scripture texts supporting justice for immigrants and sojourners.

The Rev. Dr. Martin Luther King Jr., in his letter from the Birmingham jail to the white pastors who asked him to wait until later for justice for African-Americans, wrote “A just law is a man [sic] -made code that squares with the moral law or the law of God.” Definitely the Arizona SB 1070 law does not square with God’s law.

Thus we cannot wait either. Now is the time for the Church to stand with those who are marginalized and oppressed once more. We ask you the leaders of this Stewardship Event, as your brothers and sisters in Christ and members of the same Presbyterian Church (USA) under whose leadership we serve the same Lord and Savior, Jesus Christ, to transfer the event from Phoenix to another location.

Expectantly, and with great hope for justice and solidarity,
